

ARCNEM meeting for February 9, 2021

Attendance list is incomplete because the Secretary managed to miss the actual meeting and did the minutes off the recording but the recording doesn't show everyone's call signs and names which is what the Secretary used in previous meetings to scarf everyone's names and call signs. The secretary would like to suggest that we return to going around the "room" and identifying ourselves.

Treasurer's report \$2564.55 in the bank.

Previous meetings Minutes approved.

Zoom account – Radio courses 6:30 to 9:30 on Thursday, some months exceed Rol's license limit. Rol purchases surge capacity on his own \$50. Recorded as a donation to the club. Class members from all over the world. (Iraq, 45 /50 states).

Club Zoom Account – last month we voted for club to get a zoom account. As we have now moved the club meeting the club no longer needs a zoom license.

Ham Classes - Rol is continuing to give the classes and if he has to pay the surge fees (usually for the first month) the club will recompense him. Motion moved and carried.

Class recordings - Discussion about how to make the recordings of the classes available to either the class members or the public on our website. Several options were suggested.

Free Memberships for class members - Motion to extend free membership offer to class members of the General and Extra classes. Seconded and carried.

Club Reflector - Reminder that [K3NEM@googlegroups.com](mailto:K3NEM@googlegroups.com) is how you send messages to the club. You need to use the email that you signed up to the club with.

Programs - Frank Donovan W3LPL is guest speaker in the March meeting.

QSL report – Nick reported 124 answered, 40 to 50 cards only, \$59.60 postage, \$10 of supplies, \$71 received, so it's about a wash. Two \$1 checks, two \$2 bills.

W2W - D-Day meeting dates set as June 3 to June 16. Club authorized Rol to apply for the call sign reservation and to send in the notice to QST.

Field day - Suggestion to put Field Day on the list of discussion items for the March meeting to see if we can reserve the Howard County Park.

Club email addresses - [Treasurer@K3NEM.ORG](mailto:Treasurer@K3NEM.ORG) email address no longer works. Fixing club addresses are in process.

Website - Ted is almost complete on WordPress training to manage the website.

Adjournment – meeting adjourned at 1 hour and 7 minutes after starting (sorry no real time clock as I'm doing the minutes from the recording).
